

Dear esteemed Committee leads, working groups and of your personal invitees,

On behalf of the Gaia-X Association, we are reaching you to warmly invite you to the **3rd edition of the Gaia-X 2022 Summit**, on **17-18 November 2022**, taking place in **Paris, France**.

Please use this invite to personally extend an invitation to any further experts in your committee, but on an online basis.

All committee and working group leads would be best to attend the Summit **physically** and they would need to register [here](#) with priority. All of their invitees at a GovB, Secretary of State or political affiliation, can equally be present and register physically.

Other invitees on the committees and working groups leads' behalf, they would need to register online [here](#). The **preliminary agenda** is available [here](#).

This year's Summit is focused on the Gaia-X delivery, technical and business value/implementation, including all the latest developments, releases, and collective deliverables of the [Gaia-X Framework](#).

This year's Summit will fully immerse attendees in the delivery of Gaia-X, including but not limited to the:

- **Gaia-X Framework:** the technology, compliance, policy, and labelling standardisation of the future.
- **Gaia-X Data Spaces:** Best practice data space examples on Health, Energy and Sustainability, Finance and Banking to enable the future rising of the digital economy.
- **Gaia-X Business Impact:** The initial lighthouse projects present the front-runners of the Gaia-X applicability, compliance, and service offering.
- **Gaia-X Regulation:** The current regulatory framework. The challenges it poses and the changes that are needed. The new and necessary set-up of compliance as code.
- **Gaia-X national and member state priorities:** User case and delivery. Best practice examples and a joint view of the Government view.
- **Gaia-X Evolution:** challenges, current and future milestones, and applicability.

Specifically, to your Gaia-X Summit 2022 contribution, we would be highly interested in your presence and We feel that your participation and contributions to this year's summit will be invaluable to the event's success.

Looking forward to welcoming you to the Gaia-X Summit 2022.

Remaining at your disposal to address any further questions.

Sincerely yours,
Francesco Bonfiglio

Chief Executive Officer
Gaia-X European Association for Data and Cloud AISBL

Sincerely yours,
Roland Fadraný
